

## **Bulletin Board Policy**

The primary use of the Amagansett Library bulletin boards is for Library purposes. The Library will display not-for-profit organizations' materials. This includes government, civic, cultural, recreational, and educational organizations, provided they adhere to the following guidelines.

1. Exhibit materials to be displayed must be submitted for approval to the Library and are subject to review by the Library Director and Library Board or their designee.
2. Due to limited display space, the Library reserves the right to restrict the size, number, and location of display materials. The time span during which the materials are exhibited will be determined by the Library.
3. The Library assumes no responsibility for the content of the notices or materials, nor for the possible damage or theft of materials.
4. Items posted are done so for informational purposes only. Posting does not imply an endorsement by the Library.
5. Posters announcing fundraising programs sponsored by any local non-profit organization may be displayed provided there is space available.
6. Soliciting funds, except for Library purposes, is not permitted. Organizations or individuals are not permitted to place any box, receptacle, or canister in the Library, which solicits donations.
7. Organizations or individuals are not permitted to display or exhibit any materials that advocate the election or defeat of any candidate for office or advocate any affirmative or negative vote for or against any proposition.
