Heartbeats In The Woods

By,
Scenny Orioli

Bear remembers the sound from his childhood, "badump, badump," of hearts beating together in a big bear hug. He tried to recreate one, but nothing feels right. Just when Bear is about to give up, his forest friends arrive to help him out.

Decorate a Pumpkin!

Beginning Monday, October 7, stop by the children's room and pick up a mini pumpkin, along with paint supplies to decorate it. Bring back the decorated pumpkin so it'll be put on display in the children's room, and receive a sweet treat in return! *While supplies last.*
