From the Director's Desk

Dear Neighbors,

As the days grow longer and nature awakens around us, we're excited to welcome you into a vibrant spring season at the Amagansett Library.

Our Seed Catalog is open, and features a mix of old favorites and new additions. Stop by throughout the season to see what's new, especially in native flowers for our pollinators!

We're also introducing several new ways to connect with your neighbors. Join us for Drop-In Chess on Fridays at 11 AM for all ages and skill levels. Or on Wednesday nights, check out our monthly Knitting Circle (6 PM) and Magic: The Gathering (5:30 PM) meet-ups, offering something for both crafters and gamers. For our youngest patrons and their families, we're pleased to offer weekly Bilingual Story Times most Mondays at 10:30 AM.

We also offer local museum passes, blood pressure kits, and mobile hotspots that Amagansett residents can check out with their library card- completely free!

Spring's "shoulder season" is a special time here at the library—quieter than summer, but full of energy and possibility. We look forward to seeing you!

Warmly,

Arielle Hessler, Director
